Win airline ticket to anywhere in Asia in Driving Range Great Asia Shootout

Someone is going to win an airline ticket to anywhere in Asia at the Golf Driving Range Great Asia Shootout this month. The process is simple. Golfers get a "baker's dozen (13)" specially marked balls for \$5 and try to put one in the Shootout Basket. Put one ball into the basket and you win the ticket. All entrants will receive an MWR Water Bottle for entering as well as an entry form for the airline ticket. If no one lands a ball in the basket by close of business July 31, a drawing will be held Wednesday, Aug. 1, to award the ticket. Shootout balls are available from the Driving Range office.
